## Information about packaging management

Dear business partners,

In order to ensure that your orders for packaging materials are processed on time, we have set up a collective mailbox for you so that our colleagues from Supply Chain Management can receive your request directly and place the orders.

For this reason, we ask you to address your specific orders for packaging materials to the following inbox:

[verpackung@reks.de](mailto:verpackung@reks.de)

Feel free to CC your contact person from our Sales Dept.

Please only send packaging orders to this inbox. All other documents or inquiries will not be processed in this way.

Best regards

REKS GmbH & Co. KG
